

World Book Day — Supplement

Mrs Gee (as King Henry VIII)
Our World Book day Raffle
Winners.. They each received
£5 to spend at the Book Fair.

Owl Babies performed with the help
of puppets and children acting as
well.

The children heard Dinosaur Roar and
afterwards they acted the story out
with dinosaur models.

The children had great fun acting out
Goldilocks and the Three Bears!

Pre-school

IT'S WORLD BOOK DAY!

Preschool have had so much fun this week. They moved around the school hearing stories read by other teachers and acted out stories with us too. Preschool stories included Where's my teddy, including a giant bear, small bear and picnic case, Dinosaur Roar where we looked at opposites and thought about some of our own and **Goldilocks and the Three Bears** which the preschool children acted out as a complete story.....

On Friday our World book Day the children listened to the books that they had brought in and shared them between each other. During the afternoon we had a teddy bear's picnic. Children prepared the food and brought their teddies for picnic party games too. They counted out how much they would need and wrote labels on what they had prepared.

The children had an advanced preview of the books that were for sale at our Book Fair and made their choices. Our "#Shelfies" and Extreme Reading Challenge photos were a

great success and are being displayed. They looked fantastic in their outfits! Mrs Reid

(Goldilocks) and Mrs Robinson (Harry and the Bucketful of

Preschool looked at the story "**One Kiss, One Hug!**" together.

Theodore - "I liked the baby bear wanting a hug again and again. It was funny."

Magdalena - "I liked Mummy and Daddy eating the ice cream."

World Book Day—Reception

IT'S WORLD BOOK DAY!

Each day this week we have started our morning by listening to a different teacher read a book. Today we went into an assembly where we heard from a lady from scholastics book fair.

The main focus of our Book Week has been 'The Tiger that came to Tea'. The children have learnt amazing facts about tigers and made a tiger mask and tiger hand prints and

bunting.

We have also made our own book cover and bookmarks which the children really enjoyed doing.

This afternoon we had a Tiger that came to Tea party.

We had sandwiches, cakes, biscuits and real tea. We all sat in the safari den with the tigers and listened to the story.

We then had a treasure hunt around the playground to find some of our favourite books such as 'We Are Going On A Bear Hunt'. Mrs Oliver read some clues and in our house teams we found the books. What an exciting week we have had !

World Book Day—Year 1

IT'S WORLD BOOK DAY!

This week year one has enjoyed a huge variety of activities for World Book Day! The children have a great love of stories, which they have really enjoyed sharing with their friends and teachers!

The children brought in fantastic **#Shelfie's** and **Extreme reading!** Photographs from home, which we cannot wait to get on display!

We also had a wonderful collection of the children's **favourite stories** and authors brought into school which all of the children enjoyed sharing!

We have also been lucky enough to move around to different rooms and listen to many different **teachers** read their **favourite stories!**

For guided reading we have been learning all about the story '**My Friend bear**' the children made their own lolly stick story characters and acted out the story with their friends. The children have also written their own version of the story with their favourite toy! Wow! We have fantastic imaginations and writers!

Well done to all of the Year one children for taking part in the **Big world book day quiz**, everyone tried so hard to remember the questions from the stories they have heard this week and gain house points for their teams!

Everyone looked great in their world book day costumes! The teachers also loved taking part and getting dressed up too! A huge well done to year one for taking part in all of the activities and making world book day celebrations so fabulous!

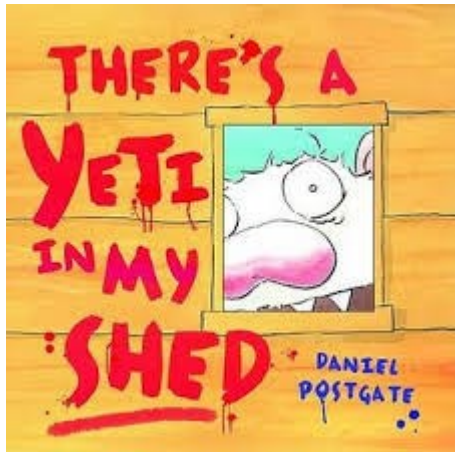

Miss Hills (Mary Poppins), Mrs Farnes & Mrs Saroya (Chimney Sweep).

World Book Day—Year 2

IT'S WORLD BOOK DAY!

Today, Year 2 were surprised to find a new member in their class...strange footprints were on the stairs, leading to the classrooms, where something had left a mess! After further detective work, it was discovered that a Yeti had been to visit "There was a Yeti in our classroom!" (Ovo).

The Yeti had left a book about himself for us all to read. It was called "There's a Yeti in my Shed!" by Daniel Postgate. He left a note for the children, asking them to create a book about where he could go next. Each child chose a different part of the school to write a page about to contribute to the class book.

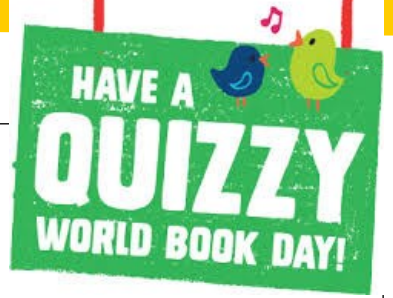

"We all designed a cover, with the Yeti hiding" (Jedidiah)
"We had so much fun making the books!" (Naila)

The class stories are on display in the Year 2 classrooms for all to read.

Mrs Dyne, Mrs Paice and Mrs Smith

World Book Day—Quizzes

This afternoon, we held World Book Day-related quizzes in the Infants and Juniors.

In the Infants, whilst our Early Years were busy having a Teddy Bear's picnic, Years 1 and 2 took part in a fun quiz. The children worked in their House teams to answer a variety of multiple choice questions. Staff entered questions based on the stories the children have listened to every morning this week, read by different members of staff.

The children worked fantastically well in their groups and had clearly enjoyed listening to all the stories over the week. Teams won house points depending on their overall score, and the scores were very close!! All of the children have received a certificate for taking part!
