Autumn Term 2022 - Issue 39 - 7th October

Preschool News

Preschool have enjoyed making spiders for our new spider web.

The children enjoyed colouring, cutting and sticking the spiders to the web!

Mrs Oliver and Mrs White

Howzat!

Some of you may remember **George Taylor** from the Upchurch Cricket Club, who visited our school after the first lockdown. He wanted to raise awareness of the game and he did just that. Several of the Bryony children are part of the club and enjoy weekly training sessions and matches during the season. **Luke, George, Robson, Jamie, Rosie** and **Bella** came away with medals and in addition to this **Jamie** and **Rosie**, who both, in their first season of softball cricket with Upchurch Cricket Club, won trophies. **Rosie** for a 'Champagne' moment where she took 2 wickets in an over against Cobham and **Jamie** won the fielding award for the season.

Congratulations to you both on this great achievement.

Rugby Festival

This weekend **Oscar** and **Matilda** played in the **Medway Rugby Festival**. They both played some excellent rugby and had loads of fun with their teams. **Tilly** fully embraced the festival atmosphere with her club colours- making her easy to spot on the pitch! **Ted**, their younger brother, has done really well too. He joined the club a month ago and he got rather excited when the under 11s coach called a different Ted onto the pitch, he can't wait to start playing matches!!!

Great news Oscar and Matilda....

Netball Star!

Well done **Bella**, Emeralds netball teams player of the week for great shooting!!

We have a new Cub!

Melody, from year 5, was invested in cubs this week. Well done Melody, we hope you have lots of fun in your new pack!

Football

Miss Hills is coaching Real 60's under 8's team! **Well done Miss Hills** for giving up your spare time to help the community. For more information about the club, please see the flyer for details.

Year 3 Historians!

Year 3 had lots of fun in topic this week exploring the food eaten by stone age people.

They roamed Bryony searching for food, deciding on whether stone age people would have gathered what they found or hunted! It was an opportunity for the children to consider their knowledge on stone age tools too, which weapons would be useful for hunting, especially for large dangerous creatures! Well done year 3!
