Autumn Term 2022 - Issue 43 - 18th November

## Road Safety Week

This week **Early Years** celebrated road safety week. We completed a lesson with discussion about how to keep safe

near roads. The children followed the Green Cross Code, **STOP, LOOK, LISTEN & THINK!**

We then put this into practice by safely crossing a road

outside of school.

All of the children received a certificate for crossing the road safely!

Well done to all of you!

## Anti-Bullying Week

This week Year 2 has been learning about Anti-Bullying week and why it is important to **'Reach Out'**.

We all came to school wearing odd socks to show that it is OK to be different and that nobody should be bullied because they are different.

We took part in a BBC Live Lesson where we watched scenarios of children and had to decide if it was a falling out between friends or someone being bullied.

We also discussed how important it is to tell a friend or a trusted adult so that any issues can be dealt with.

**Mrs Dyne**

## Choosing Kindness

This week the Reception children have been given the task of choosing to be kind! We took part in wearing odd socks on Monday and discussed kindness towards difference, we then created our own odd socks using a variety of materials. We have also created a kindness tree, all of the children's handprints, words and pictures have contributed to this wonderful display.

**Miss Hills**

## Yr 6 - Friction Experiment in Science

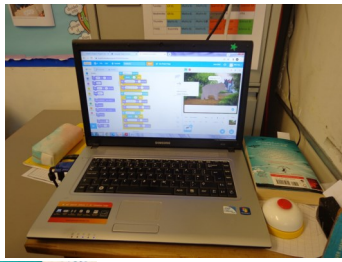

Year 6 have been exploring the effects of static electricity. They learnt how to negatively charge a balloon by using friction and then look at the effects of what happened when the balloon came into contact with items that were both positively charged and negatively charged. **Mrs Jug**

## ICT - Year 3

Year 3 have been using our chrome books to start their learning journey into scratch coding.

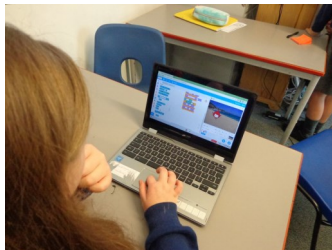

They have created their own algorithms to make their sprites, move, speak and input sound.

They enjoyed working together and really thought about the changes they needed to make when their sprite was not working.

Keep up the great work Year 3.

**Mrs Kunwor**

## Year 5 - Coding

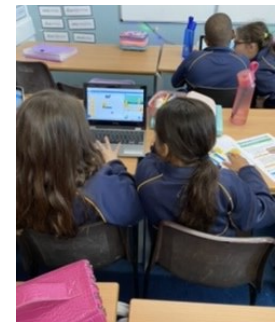

Year 5 have also been coding! They have really had to concentrate this week to get the coding correct and work out ways to change it if it wasn't.

They have made a game using more than two characters and grappled with variables to change the speed and score points before their character disappears.

Great fun was had catching their sprites. Well done Year 5.

**Mrs Kunwor**

## Extra Curricular News

### Carol Competition

This is our amazing choir who were recorded for a carol competition. I will keep you posted as to how we get on. **Mrs Foot**

**Leah** graded at Karate on Saturday and achieved her Deputy red Belt. Fantastic news **Leah! We are so proud of you!**

**George G** won the man of the match trophy for the under 5s on Saturday.

**Well done George!**

## Children in Need 2022

Children and staff have had a 'Spotacular' day today raising money for Children in Need.

Children were able to come into school wearing their own clothes with spotty accessories. We all enjoyed the fabulous cakes – thank you to children, parents and carers for the amazing cake donations.

We also had a very competitive 'Bake-Off' ! Winners of the Bake off were **Wynter, Sai, Austin and Evelyn** in the infants and **Inès, Kesi, Olivia G, Harry, Amy and Jude** in the Juniors...

### Well done everyone!

The Infant children enjoyed working in their House teams to find the spots in the playground, making Pudsey masks or hats and doing Pudsey themed maths and handwriting.. Thank you to all of you for your donations.

Together we raised an incredible **£424.52** (at the time of writing). Thank you all so much for your generosity.

A special thank you to **Mrs Oliver** for organising the day.
