Spring Term - Issue 58 31st March 2023

Recorders News

Year 2 performed four Easter songs in our Singing Assembly this week. These songs were 'Hot Cross Buns,' 'Mary had a Little Lamb,' 'Clair de Lune' and 'Old Macdonald'.

Well done everyone!

Mrs Prenter

Jovan

A big well done to **Jovan** who performed to all of the Infants and staff during our final singing assembly of the term. You were fantastic!

Mrs Dyne

Winners

Well done to **Sapphire** who accumulated the most house points since January for this term! The infant children in Sapphire team celebrated with extra play and a crispy cake treat!

Global Art KS1

The children in Year 1 and 2 have completed their papier mâché globe creations in Art this week. The children have covered a variety of skills including painting, sticking, cutting and sculpting. The children have

enjoyed getting messy this term and it has been lovely to see them work together to place the continents on the globes in the correct place.

Excellent team work everyone!

Year 5 - Patterns

Year 5 have been designing patterns on eggs and decorating them using colour mixing. Their work was 'eggcellent'!

Science - Light

During our science lesson on light and Year 3 investigated what colour light is.

We looked through prisms and discovered white light consists of rainbow colours.

Year 2 Measuring

This week Year 2 got the chance to do some practical weighing to end their measuring topic in Maths.

"We got to make Easter crispy cakes!" - William

"We had to weigh out an amount of cornflakes and chocolate on the scales". - Laith

When we asked the children what their favourite part of the lesson was, it was an unanimous result...

"taking them home and eating them!"

We also made a colour wheel and found out spinning the wheel creates a white light. Excellent effort Year 3.

Mrs Kunwor

Easter Eggs

On behalf of the children of Bryony School, thank you to **Mrs Bernini and FoBS** for providing everyone with an Easter Egg again this year.

It is always so appreciated.

Autism Awareness Week

This week was Autism Awareness Week and Year 2 joined a Scholastic Live virtual workshop to listen to Christine McGuinness' new book 'Amazing Me, Amazing You'.

The book celebrates

and embraces diversity, inclusivity and highlights how we can accept everyone, just as they are.

At the end of the workshop, we got to draw along with the illustrator of the book. Check out our drawings!

Brain Tumour Research

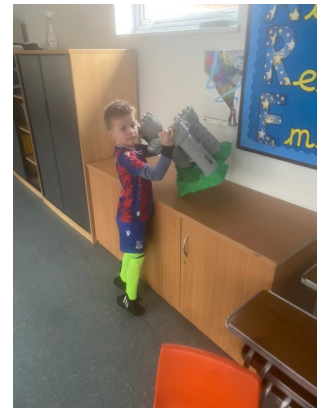

Children and staff made a donation to wear a hat on Friday 31st March in aid of the Brain Tumour Charity. We have raised over £100 online so far plus cash donations. There is still time to donate via our Just Giving page if you wish to do so:

Easter Egg Hunt

A big thank you to Mr and Mrs Pittock for the generous donation of Easter eggs and goodies for our hunt! We had lots of fun hunting for them all!

We had to revise our plan and find them inside school due to non stop rain outside!

Bryony's Got Talent

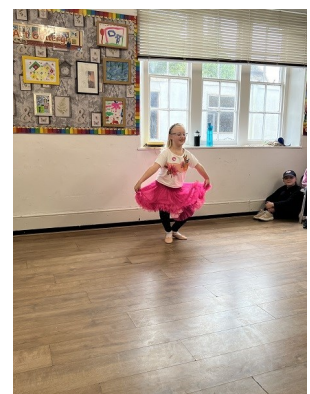

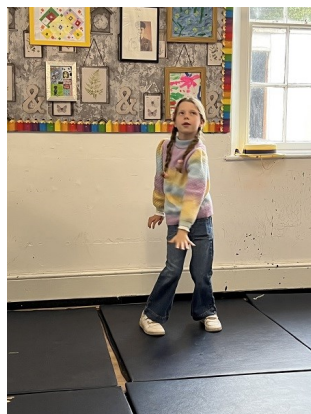

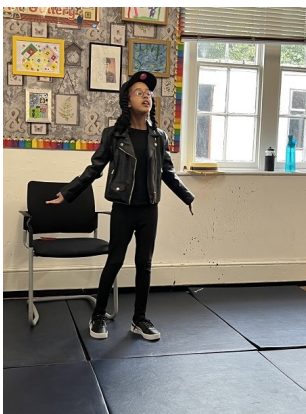

The Juniors held a Bryony's Got Talent show! What a huge success this has been with plenty of acts including singing, dancing, playing an instrument and comedy! The audience and judges were impressed by the confidence of some of the contestants especially children who performed alone as well as those who worked hard to devise their own

pieces from scratch! Although all the acts were winners in their own right, there were a select few who won prizes:

Winner: Tyler (Yr6) who charmed us with his guitar playing.

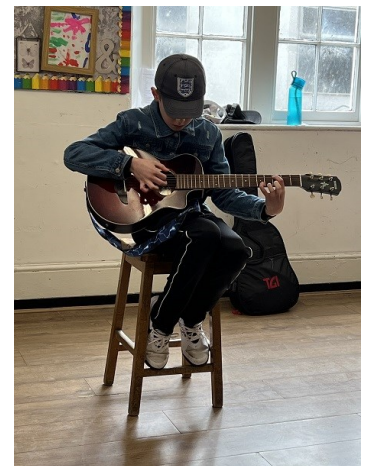

Second place: Kiye (Yr6) for her amazing singing and confident dance performance.

Third place: Mille and Samreen (Yr4) for their impressive 'Cup' duet !
