Summer Term - Issue 104 Part II - 12th July 2024

Love to Read

This week's Love to Read certificate recipients are...

Jedidiah and Ava A with a **green** certificate for 60 reads.

Inara and Alicia with a **blue** certificate for 90 reads.

Saffron and Amelia both received a **red** certificate for 150 reads and a **bronze** certificate for 180 reads.

Jeevat also received her **bronze** certificate.

And well done to **Elijah** for achieving his **silver** certificate for 210 reads.

Well done to all of the children who worked hard to achieve their certificates throughout the year. As usual, Medway Libraries are holding their [Summer Reading Challenge](#) during the holidays, so get down to a library and borrow a huge range of books for free. Happy reading!

Mini Youth Games - Athletics

This week our Athletics team entered the final MYG event of the year - Athletics.

This involved running in events such as 700m, 200m, 100m and 60m and a 4 x 100m relay.

The field events involved javelin, discus, Cricket ball and ball push throwing with long jump, triple jump, vertical high jump and speed bounce. Out of over 30 teams in the cup competition, Bryony came 7th - a tremendous result to finish the year.

Well done to all our competitors this year.

FoBS Summer Fete 2024

On behalf of **Friends of Bryony School (FoBs)** I want to say a massive thank you to everyone that was able to make it to our Summer Fete on Saturday and hope you all had a great time. A huge thank you to all the companies that donated such fabulous prizes towards our raffle and to everyone that helped run stalls including the year 5 and 6 children and set up - we could not of done it without all of your help. Thank you for all your generous donations. We raised £2,016.63! We have already spent some of this on a new playhouse for the infant site and the yearly donation to the year 6 leavers party.

Thank you to **Mrs Edkins, Mrs Pittock and Mrs Osborn** who have also helped regularly throughout the year with various FoBS events. A extra special thanks to **Mrs Edkins** who is leaving FoBs this year as Tom is going to secondary school. Thank you for your dedication and commitment all these years. Thank you also to all the behind the scenes work from **Mrs Prenter**—it is greatly appreciated.

Please do keep donating and purchasing nearly new uniform—this is a great contributor to raising FoBs funds which we invest in the children. If you haven't already please do join our ['Friends of Bryony School' Facebook group](#) to keep up to date with our latest news and events.

Lastly, thanks again for all your continued support.

Mrs Bernini

FoBS Summer Fete Success

Year 6 Science

For their final every primary school science lesson the Year 6s were able to explore how to use microscopes. They were able to look at pre-made slides to see how feathers, fur, hair and scales look like up close. They also took swabs of their own to see how plant and animal cells look like.

Year 6 Visit to Grange Farm Activity Centre

What an amazing final trip! On Monday, Year 6 ventured to Grange Farm where they were able to take part in a fun-filled day of activities. We spent most of our morning working in teams and strategizing to combat with nerf guns, as well as practice different circuit tricks such as spinning plates, toothbrushes and batons. Then, in the afternoon, we were thrilled to take part in a human game of table football (where we were actually the players on poles) as well as race one another on go karts. It was so much fun and the Year 6 children thoroughly enjoyed it.

Weaving

Over the last two weeks, Year 2 have enjoyed learning how to weave and thread. Last week they weaved Turtles (their class name!) and this week they have made dream catchers. "We added beads and feathers to make it look pretty!" - Leah
