Spring Term

Issue 120 - 31st January 2025

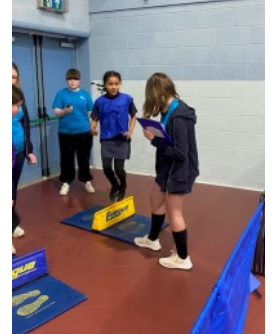

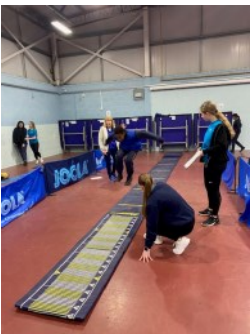

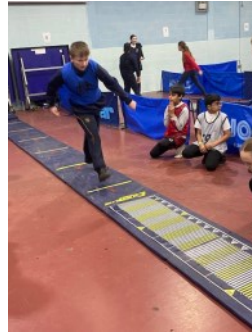

Sports Hall Athletics

Over the last two weeks, many junior children have taken part in indoor athletics as part of the Primary School Games. Indoor athletics involve both track and field events. The track events include sprint relays, over and under relays and obstacle races. The field events involve four different types of jumps, ball push and javelin throws.

All the children performed to the best of their abilities and worked well as a team. Our year 5 and 6 team achieved 7th place out of a total of 15 teams and our year 3 and 4 team, who competed yesterday, came 9th out of 15 schools!

Well done children.

Year 6 RE Lotus Flowers

This term we have been looking at the creation of the world. We were able to have a go at origami and make a lotus flower lotuses as they are a symbol of purity. Since they return to the murky water each evening and open their blooms at the break of day, lotus flowers are also symbols of strength, resilience, and rebirth.

Early Years - Chinese New Year

This week the Reception and Preschool children celebrated Chinese New Year. They had a range of artefacts and costumes to try on and use. The children engaged in all sorts of craft activities and were able to try using chopsticks.
